## 2007 Pricing

**Deluxe Family Party Package** includes all of the following top-of-the-line components from leading manufacturers.

- 1hp Pump and Filter—Hayward SP2807X10 & Hayward C900**  
 1 HP Hayward Max-Flo self-priming pump, coupled with 90 sq.ft. Star Clear Plus cartridge filter for dependability and easy maintenance. Other options on reverse.
- Timer w/ bracket (220V)—Intermatic Automatic Timer T104R3**  
 Turns filter system on/off automatically according to the schedule you set for it. Comes in rain-tight case. If you will be wiring your pump at 110V, you'll need T101R
- 3-way valve—Jandy 1½" x 2" Never Lube valve—JDY4715**  
 Allows flexibility in directing water flow through skimmer, bottom drain, heater, spa or other components.
- Automatic chlorinator—Hayward CL220**  
 Dispenses chlorine into pool through your plumbing system.
- Skimmer—Hayward SP1084**  
 Draws water from pool surface into filter system. Comes complete with float valve, and 2 extension rings.
- Return line wall fittings (3)—Hayward SP1408**  
 Water returning from filter enters pool here. Order extra fittings if you want more than one return or if you may be adding an automatic pool cleaner now or later.
- Main drains (2)—Hayward SP1048**  
 Draws water from pool bottom into filter system. When tied to your skimmer, you'll get the most efficient filtration and circulation throughout your pool.
- 3 tread ladder—SR Smith VLLS103S Elite & PECPF3119 (2)**  
 This stainless steel ladder allows easy entry/exit from pool. We also include the deck anchors that you'll need to attach the ladder to your deck.
- Pool light & niche—Hayward AstroLite SP0584 & SP0607U**  
 Your pool will be beautiful at night when illuminated by this 400 watt 10" underwater light. Niche attaches light into wall, comes with a 30' cord.
- 20 mil Vinyl Liner—**  
 Your liner will be custom made to fit your pool. We'll wait to get your final pool dimensions before we manufacture your liner (7-10 days) to insure that you get the best possible fit. Most areas are able to receive their liner via air freight. Choose your liner pattern on the Internet at www.sunlandpools.com.

Liner Color Choice → Wall \_\_\_\_\_  
Floor \_\_\_\_\_

- Maintenance kit—Rainbow RMK-5500**  
 4 in 1 chemical test kit, leaf skimmer, pool brush, chrome thermometer.
- Solar cover—Cantar Solar Bubble Cover**  
 Floating cover keeps water warmer, extends swimming season.
- Wall foam—¼" waterproof cell foam**  
 Attaches to vertical sidewall of pool. Provides soft surface for liner
- Aluminum Cantilever Coping—Cinderella CP2**  
 Attaches to top of wall. Dual purpose concrete deck form and liner track. Easiest way to pour your concrete deck. Includes 4 corners.

**\*Fitness Pool Package**—deduct light and main drain

**\*Fun Pool Package**—deduct light, main drain, and ladder

**\*\*NEW!\*\* Economy Package** If you just want to buy the bare minimum. Includes the same above pump & filter, timer, skimmer, return fitting, PVC liner track (instead of CP2 coping), wall foam, and a liner custom-made for your pool.

**POOL LINERS\***

The following table will give you an idea of what to expect to pay for a custom vinyl liner for your SUNLAND pool. Kit prices shown on the other side already include the liner so this will show you basic liner cost. "In between" sizes will be proportionately priced with up charging for custom sizing.

**Expect to pay extra for these:**  
28mil thickness..... add 30%  
Custom Stairs..... add \$90 per tread

16' x 32'	\$1020
12' x 24'	\$665
14' x 28'	\$830
18' x 36'	\$1235
20' x 40'	\$1475
8' x 32'	\$615
12' x 18'	\$555
12' x 32'	\$820
16' x 24'	\$820

Submit a drawing of your custom pool for a firm quote. Production time is normally one to two weeks.
